

We have few pictures as well of the stall...

INDIASOFT 2012 - INDIAN IT INDUSTRY: REACHING OUT GLOBALLY (21-23 March 2012, Hyderabad)

A new beginning for IT fraternity to grow multi fold....

Global Platform of Business Opportunities between plus 400 Global Buyers & 150 Indian IT Companies.

India's exclusive international IT event comprising of exhibition & conference. A closed door business networking event between over 400 IT services global buyers and 150 Indian IT companies.

The main focus of **INDIASOFT** events has been to enhance the opportunities for Indian Software companies in emerging and established IT markets across the world. Through this initiative, Electronics & Computer Software Export Promotion Council (ESC) has helped Indian IT enterprises in aligning their competencies with international IT environment both in terms of demand as well as delivery competencies. Till now, ESC has organized 11 editions under its exposition brand - **INDIASOFT** with overwhelming success.

"Saven Technologies Participated in IndiaSoft 2012, an expo by Indian Software Companies, held in Hyderabad International Convention Centre (HICC) of Hotel Novotel, near Hitex, Madhapur between 21-23 March 2012! More than 300 delegates from over 60 countries visited the Expo and several delegates visited our Stall No.103 and expressed keen interest in our solutions and services. We also had a chance to have few extended meetings with our Senior Management Members to provide more details of SavenTech's offerings."

EXHIBITOR SATISFACTION

- 95% established useful business contacts.
- 90% expect orders as a result of exhibiting.
- 90% confirmed to exhibit at **INDIASOFT 2012**.
