

Saven Technologies Limited- Whistle Blowers Policy

The Purpose of this Policy

Section 177 read with Rule 7 of The Companies (Meetings of Board and its Powers), 2014 and revised Clause 49 of the Listing Agreement, inter-alia, provides, a mandatory requirement, for all listed companies to establish a mechanism called “Vigil Mechanism (Whistle Blower Policy)” for directors and employees to report concerns about unethical behaviour, actual or suspected fraud or violation of the Company’s code of conduct or ethics policy.

Saven Technologies Limited is committed to complying with the domestic laws that apply to them, satisfying the Company’s Code of Conduct and Ethics, and particularly to assuring that business is conducted with integrity and that the Company’s financial information is accurate. If potential violations of Company policies or applicable laws are not recognized and addressed promptly, both the Company and those working for or with the Company could face governmental investigation, prosecution, fines, and other penalties.

Your Duty to Report

Everyone is required to report to the Company any suspected violation of any law that applies to the Company and any suspected violation of the Company’s Code of Conduct and Ethics. It is important that you report all suspected violations. This includes possible accounting or financial reporting violations, insider trading, bribery, or violations of the anti-retaliation aspects of this Policy. Consult the Company’s Code of Conduct and Ethics for a more detailed description of potential violations and other areas of particular concern. Retaliation includes adverse actions, harassment, or discrimination in your employment relating to your reporting of a suspected violation.

It is the policy of the Company that you must, when you reasonably suspect that a violation of an applicable law or the Company’s Code of Conduct and Ethics has occurred or is occurring, report that potential violation. Reporting is crucial for early detection, proper investigation and remediation, and deterrence of violations of Company policies or applicable laws. You should not fear any negative consequences for reporting reasonably suspected violations because retaliation for reporting suspected violations is strictly prohibited by Company policy.

While it will be ensured that genuine Whistle Blowers are accorded complete protection from any kind of unfair treatment as herein set out, any abuse of this protection will warrant disciplinary action.

How to Report

You must report all suspected violations to (i) your immediate supervisor; (ii) the Executive Director or by sending an anonymous letter to the Executive Director & CEO at:

Mr. Murty Gudipati
Executive Director & CEO
No.302, My Home Sarovar Plaza,5-9-22
Secretariat Road, Hyderabad- 500063

If you have reason to believe that your immediate supervisor or the Executive Director & CEO

is involved in the suspected violation, your report may be made to the Audit Committee of Saven Technologies Limited' Board of Directors (the "Audit Committee") at:

Chairperson, Audit Committee
Saven Technologies Limited
No.302, My Home Sarovar Plaza,5-9-22
Secretariat Road, Hyderabad- 500063

Because you have several means of reporting, you need never report to someone you believe may be involved in the suspected violation or from whom you would fear retaliation.

Your report should include as much information about the suspected violation as you can provide. Where possible, it should describe the nature of the suspected violation; the identities of persons involved in the suspected violation; a description of documents that relate to the suspected violation; and the time frame during which the suspected violation occurred. Where you have not reported anonymously, you may be contacted for further information.

Investigations after You Report

All reports under this Policy will be promptly and appropriately investigated, and all information disclosed during the course of the investigation will remain confidential, except as necessary to conduct the investigation and take any remedial action, in accordance with applicable law. If, at the conclusion of its investigation, the Company determines that a violation has occurred, the Company will take effective remedial action commensurate with the nature of the offense. This action may include disciplinary action against the accused party, up to and including termination. Reasonable and necessary steps will also be taken to prevent any further violations of Company policy.

Retaliation is not Tolerated

No one may take any adverse action against any employee for complaining about, reporting, or participating or assisting in the investigation of, a reasonably suspected violation of any law, this Policy, or the Company's Code of Conduct and Ethics. The Company takes reports of such retaliation seriously. Incidents of retaliation against any employee reporting a violation or participating in the investigation of a reasonably suspected violation will result in appropriate disciplinary action against anyone responsible, including possible termination of employment. Those working for or with the Company who engage in retaliation against reporting employees may also be subject to civil, criminal and administrative penalties.

Document Retention

All documents related to reporting, investigation and enforcement pursuant to this Policy shall be kept in accordance with the Company's record retention policy and applicable law.

Modification

The Audit Committee or the Board of Directors of Saven Technologies Limited can modify this Policy unilaterally at any time without notice. Modification may be necessary, among other reasons, to maintain compliance with federal, state or local regulations and / or accommodate organizational changes within the Company.
